

CPSP AND STERILIZATION INFORMED CONSENT TRAINING

ATTESTATION (2024-2025)

To comply with audit and regulatory requirements, MemorialCare Select Health Plan provides periodic updates and trainings. By signing below, you attest that you are the authorized representative for your provider office/group and is aware and received following training education:

- 1. Presentation:** Comprehensive Perinatal Services Program (CPSP) and Sterilization Informed Consent Training

Name of Representative	Position/Title	Provider Office/ Group	Signature	Date

Please ensure that the appropriate parties review the annual training in its entirety along with the required documentation. As mandated by various health plans, MCSHP will send quarterly reports as well as conduct random audits to ensure compliance.

Thank you,

MemorialCare Select Health Plan Quality Department
